

1. What is included in your After School Club?

This program will include after school pick-up and transportation to PRO Sports Club from the following schools:

- Audubon Elementary
- Benjamin Rush Elementary
- Peter Kirk Elementary

The program will also include care 5 days per week with a variety of activities, sports, and enrichment classes. *See detailed schedule in questions #7 below. Families with children attending other schools may enroll in our program without shuttle pick-up and receive a reduced rate. You may also email at afterschool@proclub.com to inquire about adding pick up from your child's school.*

2. What are your rates?

Rates are \$650/month for members. Non-members can register for \$850/month. The program is also available without the transportation for a reduced price of \$600/month for members and \$800/month for non-members.

3. Do you prorate fees or offer enrollment for less than 5 days per week?

Currently we are only accepting registration for 5 day/week attendance through the full school year. Your child is not required to attend all 5 days but if you elect to use less than 5 days per week the full fee will still apply. In addition monthly rates are not prorated for program closure days.

4. What happens if my child misses days or goes on vacation? Can my fees be prorated?

Monthly rates are not prorated based on children's attendance. Program fees are based on cost. We staff the program 5 days per week and commit to shuttling children from each school daily regardless of who is in attendance. Therefore, monthly fees will be the same price whether children come 2 days per week or all 5. The more days your child attends, the greater value it will be for your family.

5. Why will you only pick up at 5 schools?

At this time we have chosen to include the schools that families expressed the most interest in when responding to our initial survey. If members with children in other schools express sufficient interest, we may expand the program to include additional schools for future years. If your school is not one of the 5 schools we are serving you are also able to sign up for the program and drop children off at PRO Club for a reduced fee. (\$600/month for members & \$800/month for non-members)

6. What is included in the cost of monthly tuition?

Our program includes shuttle pick-up from the five schools listed above. We will pick your child up at your child's school dismissal time and transport your child to PRO Sports Club. Once we arrive at the club your child will participate in a variety of sports activities, enrichment classes, and homework help each day. Snack is also included.

7. What is your daily schedule for each day?

TIMES

3-4 pm
4-4:30 pm
4:30-5:30 pm
5:30-6 pm

TIMES

1:30-2:30 pm
2:30-4 pm

 4:30-5:30 pm
 5:30-6 pm

THURSDAY

Shuttle pick up
 Racquetball-Court Games
 Homework Help with Snack
 Art Studio

FRIDAY

Shuttle pick up
 Soccer Arena-Field Games
 Homework Help with Snack
 Chess Club

8. What should I do if my child is sick, on vacation, or needs to miss a day?

We ask that you keep us informed of changes in your child's schedule and report all absences by 10:00 am each day. Please email all attendance updates and questions to: afterschool@proclub.com

9. Will I still be charged the full monthly fee during December, February, April, and June when children are out of school for a significant number of days?

The total annual price of the program accounts for school closure days which coincide with the Lake Washington School District Calendar. To help compensate for school closure days parents will receive a 50% discount on any All Sports camps that are held between September-June and all Snow Day camps. For a full schedule visit our camps page on the PRO Club website. Please contact our Program Coordinator at afterschool@proclub.com to register when you have selected the dates you would like to have your child attend.

10. Will the program pick up early on days that the Lake Washington School District has early release?

Yes, we will provide early pick up on dates that the Lake Washington School District closes at 11:30 for early release.

11. What types of snacks will be provided?

The price of the program includes a daily snack. This will be a fruit, string cheese or other healthy option. Children can also bring their own food but all snacks must be nut free.

12. How will it work if I enroll my child for swim lessons, tennis, squash, soccer, basketball or other activity during the After School Club times?

We are happy to provide a chaperone service to and from all additional activities scheduled during or directly following the After School Club. Please let us know in advance if your child is scheduled for additional activities at the club: afterschool@proclub.com.

13. What does the Homework Help include?

Our trained teachers will assist children with their school work and answer questions if they get stuck. The time will be set up more like a study hall than a tutoring session. If children finish all their homework early they may read a book or do another quiet activity during this time.

14. How do I register for the program?

To register for our program please visit Discovery Bay. Our friendly team will assist you in completing all registration requirements and answer any questions you may have. Your registration will be confirmed once you have submitted our registration forms and paid a \$100 security deposit. These forms must be submitted by your child's first day of attendance.
